

2020 NFRW Membership Competition

Membership is the lifeblood of our organization. The NFRW Membership Committee is excited to announce the 2020 Membership Competition to recognize the accomplishments of our clubs and states!

The 2020 Membership Competition winners will be recognized at the 2021 NFRW Spring Board Meeting. These club and state winners will be based on 2020 membership increases between January 1, 2020 thru December 1, 2020, as compared to the 2019 end of year membership numbers.

All data will be compiled by the NFRW Membership Committee utilizing the NFRW Membership Database. Only full memberships (not associate memberships) will be included.
