

## **RESOLUTION to OPPOSE PROPOSITION 1**

**WHEREAS;** the California Federation of Republican Women members are committed to the sanctity of life and the right to life;

**WHEREAS,** the California Federation of Republican Women support women and programs that offer alternatives to abortions; and,

**WHEREAS,** Californians will have the opportunity to vote to amend the constitution to include the right to an abortion in November;

**WHEREAS,** Proposition 1 seeks to provide abortions to women from other states, paid for by our tax dollars; and,

**WHEREAS,** Proposition 1 lowers the qualifications of providers of abortions, creating potentially dangerous outcomes; and,

**WHEREAS,** adoption of Proposition 1 would explicitly provide the right to an abortion in the California Constitution and shield the state from federal erosion of that right;

**NOW, THEREFORE** be it **RESOLVED,** the California Federation of Republican Women **oppose** Proposition 1 which further loosens restrictions on abortions while imposing a greater expense to Californians.
