ADOPT AN OVERPASS **Linking Arms Statewide in Unity!**

Patriots, Constitution followers! In unity let's proudly wave our flags statewide. Let us demonstrate our commitment to freedom guaranteed by our Constitution. This is for our families, our children and future generations.

Ronald Reagan said, "Those who have known freedom and then lost it have never known it again".

We are dedicated to saving our freedoms. This month, choose a day to adopt an overpass and display your patriotism!
